Proposed Budget

Cynthia called meeting to order at 2:30 p.m.

Agenda item 1: COVID ~~19~~ review

Discussion: Kendal explained that all the current COVID 19 Welcome letter updates and changes will be going home in the summer mailing. Cynthia asked for the school to push shots for the remaining staff and all students who are of the age to get the COVID shot. She said this is the best defense against the fight against COVID. Cynthia asked for a reminder to go out to the staff and that they will get a incentive for getting the shot.

Shauna introduced herself she is a R.N.-acute care for COVID-V.A. higher level of care asst. care nurse right now.

Cynthia what is your opinion on how we should mandate when we return in the fall. As a professional in the field and working close with the current COVID conditions at the local hospital she says keeping the mandate wearing face masks as people are not going to wear them if not mandated. Shauna said shots will become mandated soon. Shauna said unless face mask are mandated people will not wear them. We have the Delta variance, and we are not done with COVID. We must keep up on shots, face mask and contact cleaning nothing is as good as keeping the air and things around us clean and windows open.

Keith said that Acorn purchased the best air purifiers and that every classroom and common area of the school has one with 5 units in the gym. Shauna said mask, social distancing and shot to take out one but to beef up the others to help fight with the COVID fight. Cynthia said mask will be optional but HIGHLY recommended but as soon as a student says they are not feeling well they will be asked to put on a face mask and sent home. That protocol will be taken seriously. Cynthia read the current numbers for Arizona she said COVID is not gone and is a huge risk to human life. Cynthia is excited to get started with reunification is what we all want. We ask our families and staff to get shots.

Cynthia asked if anyone else had any thing to say or any questions at this time no one else spoke up.

Cynthia made a motion to approve the Welcome letter with the updates and changes to the COVID 19.

Keith seconded the motion.

All in favor this motion passed

Agenda item 9: Proposed budget

Discussion: Kristin explained the budget and said Acorn got ESSER 1,2 and 3.

100th day count to 480 state just approved the budget said we should get an increase.

The state got rid of the 3 buckets and that 301 now is different.

With the ESSER grants we have until 2024. Most of the ESSER 1 has been spent and Amber oversees the grants and the pull down. Things such as rent, computers, north past rent.

SPED amount should go up, but we do not have those numbers yet. pg. 1 shows to total expenses. Line 33 is 78% due to increase in per pupil allocation. Kristin said classroom site funds can be used for para bonuses. Kristin asked if anyone had any questions. All board members said no they did not.

Keith made a motion to approve the proposed budget.
